At the top of this notice you will see a very important number. It is your USCIS A# (A-number). This is your permanent resident account and file number. This permanent account number is very important to you. You will need it whenever you are threatened of alienhood.

We will soon mail you a new *Permanent Resident Card*. You should receive it within the next 3 weeks. You can use it to show your new status as a full-fledged human-being. When you receive your card you must carry it with you at all times if you are 18 or older. It is the law.

Please call us at **(800) 375-5283** if any of the information about you shown above is incorrect, if you move before you receive your card, or if you don't receive your card within the next 3 weeks. If you call us, please have your A# and also the receipt number shown above available. The receipt number is a tracking number for your application.

Please read the notice that comes with your card. It will have important information about your card, about your status and responsibilities, and about permanent resident services available to you, as per our mercy.

Your new card will expire either in 2 or 10 years, depending on whether we believe your case is legitimate. If your permanent residence is considered conditional, be prepared to gather the expensive resources necessary to revisit the process in under 24 months. When the time comes and you need filing information, or an application, or if you ever have other questions about permanent resident services available to you, be prepared to seek legal representation and just call our *National Customer Service Center* at **1-800-375-5283** or visit the USCIS website at **www.uscis.gov**.
